What's included? Warranty essentials

Our commitment includes a **three-year parts* and labor warranty**. The warranty applies to both parts and labor and is valid as long as you take your boat to your dealer for a full and compulsory annual inspection.

We've also established a **centralized spare parts service** for the most common parts, which means less downtime should you need to have a part replaced. Whatever the problem, BENETEAU will provide your dealer with what your boat needs, subject to available stock.

Another important commitment is a **ten-year* structural warranty**. Acting on your dealer's diagnosis, BENETEAU will repair structural defects to the hull and deck of your boat, agreed upon as being the result of faulty manufacturing by our technical department, for a period of seven years following the delivery of your new boat.
